Completed a Bachelor's degree in Computer Science and Engineering. Worked on full-stack project. Interested in backend development, mathematics, logical thinking, and problem solving. Quick learner who enjoys learning new technologies and building real-world projects.

Experience

Sripada Group — Remote (India)

May 2025 – Jul 2025

Web Development Intern

- Implemented dynamic task counters and interactive pie charts to visualize completed vs. pending habits, enhancing user engagement and insights.
- Built a full-stack application using React.js, Spring Boot and MySQL ensuring seamless data flow and optimized performance.

Skills

-
- **Programming Languages** : Java , Python, SQL
 - **Frameworks** : Spring-Boot, Hibernate
 - **Databases** : Oracle, MySQL
 - **API Development** : RESTful APIs
 - **Tools**: VS Code, Git, Postman
 - **Areas of Interest** : Backend Development
 - **Other Skills** : Problem-Solving

Projects

Smart Route Planner

May'26

Developed a full-stack web application that helps users find optimized routes between locations and discover nearby places such as restaurants, hotels, fuel stations, and tourist attractions along the route.

- Integrated OpenStreetMap , OSRM Routing Engine, and Overpass API to generate optimized routes, support intermediate stops, and fetch nearby points of interest in real time.
- Built a responsive React frontend with Leaflet map visualization and a Spring Boot backend, including validation and error handling for invalid locations and route inputs.

Smart Drive School

May'25

Built a full-stack web application to manage driving school operations, including student registrations, lesson scheduling, and instructor assignments.

- Implemented real-time booking system and progress tracking for learners, along with dashboards for admins and instructors.
- Developed using React.js (frontend), Spring Boot (backend), and MySQL (database).

Education

Kakatiya Institute of Technology and Science, Warangal , India

2022 - 2026

- Computer Science & Engineering | CGPA: 8.81

Academic and Extracurricular Achievements

-
- Selected as goalkeeper for Kakatiya University football team, representing the South Zone in inter university competitions.

Position of Responsibility

Games and Sports club | Joint Secretary

Jun'25 – May'26

- Coordinating inter-departmental and inter-college sports events, ensuring smooth execution and student participation
- Promoting physical fitness and teamwork through regular sporting events and awareness programs.
